Funeral of R. F. Gregory Is Held At West Fork

Was Pastor 25 Years In Blood River Association

Death came Wednesday night to R. F. Gregory, beloved pastor of numerous Baptist congregations in this section, at the Mason Hospital after a week's illness of complications. He had been in poor health for some time.

Funeral services were conducted this morning at 11 o'clock at West Fork Church, with Rev. L. V. Henson of Benton in charge and Revs. Sam P. Martin and J. H. Thurman assisting. Burial followed in West Fork Cemetery.

Brother Gregory is survived by his widow, Mrs. Mary Henson Gregory, and two nieces, Mrs. Earl Cloud of Marshall County and Mrs. Charlie Burton and a whole host of friends who mourn the death of this just and good man.

Born March 20, 1870, in Marshall County, he was united in marriage to Miss Mary Henson on December 1, 1895. They had no children of their own but raised four of their nieces and nephews, who were orphaned at an early age. Of these both Roy and Toy Gregory are dead, while the two nieces survive.

He succeeded to the ministry in 1900 and was ordained into the full work at Gilbertsville in 1903. He served in the churches of Marshall and adjoining counties until 1918 when he moved to Murray to reside.

For the past 25 years he has served as pastor of churches in the Blood River Association, with the exception of two years when he moved to Folsomdale to accept the pastorate of Liberty Church. He was six times moderator of the Blood River Association.

Having been pastor of seven churches in Calloway County, he was probably better known to both grownups and children alike than any man in the county. He has served in this capacity, at the following: Elm Grove, Hazel, West Fork, Sinking Spring, Oak Grove, Cherry, Corner and Mt. Carmel.

Bro. Gregory has one outstanding record in that he was pastor of the following churches when new buildings were erected: Birmingham, Bethel, Cherry, Corner, West Fork, Sinking Spring, Oak Grove, Cherry, Corner and Mt. Carmel.

His church membership was held in the West Fork Baptist church where he was pastor at the time of his death. He was also pastor of the Little Cypress church.

Ministers of this and adjoining counties were active pallbearers and physicians were honorary pallbearers.

Community Week To Be Observed by Local WPA Centers

Local WPA officials have been notified by Miss Margie D. Wallace district supervisor of Paducah, that the week of May 20-25 has been set aside by the Professional and Service Division of the WPA as Community Week.

The purpose of this specially designated week is to demonstrate to the public what this division, which includes the local Training Work Center, Murray State College Museum and Library Projects and Nursery School, pays to the community.

On Monday evening, May 20, there will be held a project dinner, promoted by the workers.

During the week each project will hold open house in an effort to show the public what it has accomplished.

Previous to this week there will be a nation-wide publicity campaign on the achievements of WPA since 1935, first from a national basis, then for the state and finally for each county.

One hundred and sixty Grayson county girls have applied for membership in 4-H clubs.

Mr. and Mrs. Victor Williams of Dexter, Route, whose 9½ pound daughter, Agnes Inell, was born Monday, April 1.

COLTS PREPARE FOR JPAC TRACK MEET

Thurmanmen Will Defend Title at Murray College Stadium Saturday, April 27

The Training School Colts of Murray State College hope to retain the title of having the championship track team of the Jackson Purchase Athletic Conference and workouts are being held daily at the cinder path. The annual Purchase meet will be held at the Murray College stadium Saturday, April 27.

Coach Thurman said this morning that Joe Robinson, Paul Alexander and Wade Graham are the only members of his championship team of last year that are on hand for the meet this year and each of these boys will be defending individual titles won last season.

Alexander showed good form and plenty of endurance as a miler last year and the reports have it that he is working into an even better form this season. "Lester" Robinson more than made up for his lack of height by displaying an ever abundance of power in reserve in the sprints. Wade Graham, participating in several events last year, was outstanding in the hurdles and sprint work.

Coch Thurman listed the following boys who will form his 1940 edition of men on the cinders.

Richard Armstrong, Paul Alexander, Randolph Story, Joe Robinson, Charles Clark, Arvis Woods, Edward Bogges, Robert Waters, Hugh Perdue, Tommy Thompson, Oliver Hood, John Daniel Lovett, John Nanny, J. H. Theobald, Paul Haley, Gene Graham, Wade Graham, Marvin Harris, and Jimmy Washer.

Rotarians to Meet This Evening

The Murray Rotary Club will hold its weekly meeting this evening, April 4th, at 8:30 o'clock at the National Hotel at which time they will be guests to the Mayfield Rotary Club.

The visitors will present the program of the evening.

TVA Is Constructing Huge Concrete Mixer to Produce 1,125,000 Cubic Yards of Concrete for Building Kentucky Dam

TVA workers at the Kentucky dam site are busy constructing a gigantic concrete mixing machine to produce the 1,125,000 cubic yards of concrete that will go into the construction of the project.

The huge mixer probably will be completed this month, according to George Swepe, director of information on the Kentucky project. Mr. Swepe, however, declined to fix a date when concrete pouring will begin. He explained that so many things have to be considered in the gigantic undertaking that he would not hazard a guess as to when the first bucket of concrete will be produced.

Build Lock First
The first concrete section to be built will be the navigation lock, on the east bank of the Tennessee river several hundred feet from the water's edge. The lock will be at the extreme western end of the 1.64-mile earth and concrete barrier.

The lock chamber will be above the dam, and will measure 110 by 800 feet. A tongue of land several hundred yards long will be built below the dam between the spillways and the navigation channel leading to the lock to protect boats against rough waters caused by water pouring over the spillways.

COUNTY OFFICIALS CONFISCATE STILL NEAR BOATWRIGHT

Patrolmen Seize Whiskey in Wrecked Car on Highway

NO ARRESTS MADE
ON EITHER OCCASION

Calloway county officials captured a one barrel cooker and eight gallons of whiskey from an illicitly operated still on the east side of the county yesterday.

Officers who took part in the raid were Sheriff Ira Fox, deputy sheriff Charles Marr and deputy jailer Joe Parker.

The still was located about one half mile east of Boatwright. No arrests have been made.

State Patrolmen Charlie Adams and J. D. Bransford turned over to Federal officers 50 gallons of whiskey found in a wrecked car on the East highway yesterday.

The car, a 1935 Ford V-8, bearing Tennessee license, was found overturned in a ditch, where it had been abandoned.

Federal authorities took both car and liquor to Paducah.

Post Master Sledd Is Appointed to Directory Board

Harry I. Sledd, Murray post master, was appointed a member of the board of directors of the Kentucky chapter of the National Association of Post Masters, at their convention which was held last Friday and Saturday.

There were about 600 post masters and post office department officials in attendance at the convention. Lexington was selected the place of the next convention.

Coach Thurman said this morning that Joe Robinson, Paul Alexander and Wade Graham are the only members of his championship team of last year that are on hand for the meet this year and each of these boys will be defending individual titles won last season.

Jennings Says He Will Make Race For Congressman

Kerby Jennings, publisher of the West Kentuckian, told the Ledger & Times today that he was filing for United States Congress in the First District. Noble J. Gregory, Mayfield, Ky., is the incumbent Congressman. Mr. Jennings, son of Mr. and Mrs. O. J. Jennings, is a graduate of the University of Michigan. He has also announced his candidacy for the congressional post. The Ledger & Times is also informed that Vege Barnes, Hopkinsville, is considering making the race.

TWO SCHOOLS OF COUNTY RATE HIGH IN F.F.A. CONTESTS

Hazel, Training School Are
Second, Third Among
25 Chapters

NINE COUNTIES TAKE
PART IN 2ND MEET

Hazel High School chapter of Future Farmers and the Murray Training School chapter ranked second and third respectively at the second annual field day held at Sharpe High School on Saturday, March 30, with a total of 67 and 64 points.

The Training School is justly proud of its rating, since this is the first year for the teaching of vocational agriculture in the school.

The Future Farmers of Hazel High School are highly elated over their winning at Sharpe High School last Saturday. Competing against 25 F.F.A. chapters in Calloway, Graves, Ballard, Carlisle, Fulton, Hickman, Livingston, Marshall, and McCracken, the Hazel Farmers came home with five first place honors, \$37.50 in cash, and highly enticed. Last year in a similar contest, with less competition, the Hazel boys came through with a fifth place ranking.

Twenty-one of the 40 Future Farmers participated in the contest. Robert Hendon, the Hazel State Farmer, who placed first in wine last year, also placed first in farm management this year. Will Frank Steele was first in public speaking, using as his topic "The Future of Farming in America."

Other first placements were Carlos Steel, soils; William Adams, poultry; and Bill Ed Hendon, beef cattle.

Herman Ellis, representing the chapter in impromptu speaking, ranked third on the topic "Grades and Grades in Cattle." Carlisle West placed third on tobacco.

Other contestants were James Hugh Grogan, Frank Cochran, William Adams, Calvin West, Robert Hendon and Mr. Parks, opening and closing ceremony; James Hugh Grogan, Robert Craig, Herman Ellis, Calvin West, Harriett Miller and Joe Pat Lamb, parliamentary procedure; Ardest Erwin, Earl Cooper, Wyman Holland and Purdon Parks, chapter music; Cyrus Miller, piano solo; James Overcast, orchestra instrumental solo; Joe Pat Lamb, vocal solo; Frank Cochran, piano solo; James Overcast, piano solo; Joe Pat Lamb, farm shop; Robert Craig, dairy; Harold Grogan, swine; Charles B. Starks, sheep; and Earl Cooper, home beautification and improvement.

The boys who placed first will make the trip to Louisville to represent their county in the state contest, with Mr. Parks, who promised all boys free transportation to the state convention, before the contest was held.

The Training School entries and their placements are:

Impromptu speaking, J. H. Theobald, first place; public speaking, Herman K. Wicker, third; opening and closing ceremony team, Ralph Gingles, James Washer, Wade Graham, Herman K. Wicker, Clifford Jones and W. H. Brooks, third place; chapter quartet, Wade Graham, Paul Bailey, J. H. Theobald and W. D. Adams, third place; orchestra instrumental, Wade Graham, second place; Fred Atkins placed third in the corn test. Ralph Gingles placed third in the dairy test, and Paul Bailey won third place with a novelty instrument.

When the coffee dam is completed the area behind it—40 acres—will be pumped dry to allow pouring of concrete for the east sections of the dam. The east section will house the power generating units—and when they are installed.

More than 2,000 workers are now employed on the Kentucky dam project, the largest in the TVA system, and the third largest dam in the nation. Mr. Swepe said that the Kentucky dam is surpassed in size by the Grand Coulee, Fort Peck and Boulder dams.

Legionnaires Enjoy Fish Fry at Bluff

Members of the American Legion held their regular meeting at Pine Bluff on Thursday evening, March 28, where they enjoyed a fish fry served by the ladies of the community.

Approximately 75 attended the meeting and an interesting program was presented. Hall Hood was the speaker of the evening and music was furnished by the Pine Bluff string group.

Legionnaires termed this a very enjoyable meeting and stated that they hoped to have more of these affairs among the highlights of the year's activities.

Several projects to drain fertile low lands are under consideration in Knox county.

To Confer With Labor Groups at Washington, D. C.

HON. CLAY COPELAND

At the request of Madame France Perkins, Secretary, United States Department of Labor, Clay Copeland, who is Supervisor of the Kentucky Wage-Hour Law in the State Labor department, will go to Washington on April 8 to confer with Madame Perkins and administrators of other State Labor Departments.

In the conference in Washington, Mr. Copeland will represent the State of Kentucky in working out a cooperative plan of enforcing the Federal and State Labor Laws in Kentucky.

When Madame Perkins made her request to Copeland, she stated, "Inasmuch as Mr. Copeland has had considerable experience and success with the administration of the Kentucky Wage-Hour Law, we are asking that you make available his services to the Federal Department of Labor."

Mr. Copeland, a native of Dexter, is a graduate of Murray State Teachers College where he was a popular and outstanding student. He was a member of the varsity debating team, competing with the representatives of leading colleges in the United States and several foreign lands.

Prior to entering the University of Kentucky Law School, Mr. Copeland was a member of the faculty of Hardin High School, where he was a member of the law club. He has been connected with the Kentucky Department of Labor as legal advisor.

Mr. Copeland is a son of Mrs. L. A. Langston of Dexter.

"Pot of Gold" to Have New Murray Phone Directory

According to O. L. Brown, local telephone company manager, sponsors of the "Pot of Gold" program heard on Tuesday evenings over the radio, have requested an up-to-date, revised telephone directory from Murray.

This means that when the wheel spins on this program from now on, residents of Murray have a chance at the handsome gift awarded each week through this program.

JERSEY CATTLE CLUB ORGANIZED

H. Gingles Elected Vice President and Director; Howton Also Director

The dairymen from the Purchase section of Kentucky met at Mayfield, Ky., March 27, and organized a Jersey Cattle Club.

The club is composed of dairymen from Graves, Calloway, McCracken, Marshall, Fulton, Ballard, and Carlisle counties. Melcum Harrison, one of the outstanding breeders of Jerseys in this section, was elected president of the club.

The other officers elected were: Hugh Gingles, vice president; Wayne Rudolph, second vice president; W. P. Burnett, secretary; treasurer; and E. B. Howton, corresponding and publicity secretary.

Board of directors was elected, composed of Dr. J. C. Melvin and Ed Warren from Graves county; W. P. Burnett, Fulton county; Wayne Rudolph, Ballard county; and Lile Fisher, Carlisle county.

The club instructed the directors to draw up by-laws and set up objectives for the club, subject to the approval of the club at their next meeting. Lawrence B. Gardner, a field staff member of the American Jersey Cattle Club, and George M. Harrison, dairy extension field agent from the University of Kentucky, were at the meeting and aided in its organization.

It is believed that this organization will do much to improve the Jersey breed in this already outstanding Jersey section, according to Prof. E. B. Howton of the Murray Agriculture department.

OPERETTA TO BE SHOWN APRIL 11

City School Children Present
"The Land of Dreams
Come True"

An operetta, "The Land of Dreams Come True" will be presented by the city school children on Thursday evening, April 11, at 7:30 o'clock in the High School auditorium.

The production, which will present the children of the first six grades, will feature dancing and songs with special lighting effects and dazzling costumes.

The story centers around a group of children on a picnic, who through some means of magic, are transported into the land of dreams come true. There they encounter the characters so dearly beloved throughout the years of childhood and return much happier for having become acquainted with their storybooks.

Last year the city school children presented an operetta, "The Wedding of the Flowers," which was so enthusiastically received by the public that requests have been made for a similar production.

Under the direction of Misses Margaret Graves, Kathleen Patterson, Lucy Lee, Gracie Nell Jones, Mary Lou Outland, Lula Clayton Beale and Mrs. B. H. Crawford, rehearsals are now under way for this outstanding musical feature of the spring season.

ELWOOD MORRIS BURIED MONDAY

Graves Landowner Was Director of Peoples Savings Bank Here

The Murray Chamber of Commerce

Another chapter in the record of the Murray Chamber of Commerce is now closed. April the first, the organization composed of business and professional men, embarked upon a new year with the new secretary, Elmus Beale, at the helm.

No attempt shall be made here to evaluate the accomplishments of the organization during the past year, for as they are well known to everyone, we shall let the record speak for itself and you judge the worth to the community as a whole in terms of your own personal ideas of what achievements would bring the "greatest good to the greatest number."

It is a conceded fact, that every town the size of Murray needs an organization dedicated to the task of promoting the growth, development, and well being of each unit in the professional and economic life of the town. The need for such an organization in Murray is intensified at the present because of the TVA development which is presumed to enlarge the social and economic benefits for every town in the entire area.

The directors of the Murray Chamber of Commerce are young, capable, and energetic men that have been successful in their own affairs, thus indicating both the ability and the will to render the type of service that will reflect credit to themselves and bring lasting benefits to the community. Yet, the directors and Secretary Beale, whose ability and personal success is acclaimed by everyone, cannot accomplish very much unless they have the complete, unselfish, and loyal support of every professional and business man and woman in the community. The measure of cooperation and support the members give the leaders will determine the quantity and quality of the accomplishments written into the record during the coming year.

The slogan of the Commerce organization, "all for one and one for all," correctly admits the pertinent fact that the progress and well being of the entire community is the sum total of the progress and well being of each individual unit. Thus, every unit is honor bound to cooperate to the end that all may enjoy greater progress.

We Extend Congratulations

The signal honor recently bestowed upon Clay Copeland, a Calloway county boy and Murray College graduate, is highly pleasing to Clay's many friends and reflects unusual credit upon our College.

The request of Madame Frances Perkins, Secretary, United States Department of Labor, for Clay to come to Washington to represent Kentucky in working out a co-operative plan of enforcing the Federal and State Labor Laws in Kentucky, indicates very definitely that the Washington authorities have been favorably impressed with Mr. Copeland's work in the State Labor Department. Recognition of ability in the form of deserved promotion, such as in this instance, reminds us that America is still the land of golden opportunity, where young men, irrespective of station in life, may climb to the top-most rung of the ladder of success and achievement if they have the ability and are willing to work.

The Ledger and Times joins Clay's host of friends

and admirers in extending sincere congratulations upon his unusual accomplishment and express the hope that he will continue to merit and receive promotions in his chosen field of endeavor.

THE SPILLWAY

BY WAYLON

Two big question marks continue to encircle the political confab, namely: Will President Roosevelt challenge tradition and run for a third term; and will Lytle Donaldson oppose former Governor A. B. Chandler in the U. S. Senate election this year. The election of a U. S. Senator this year will be for the remainder of the late Senator M. M. Logan's term which expires in 1942.

Developments to date indicate very definitely that Mr. Roosevelt will get the support of a majority of the delegates that will assemble in Chicago in June to name the 1940 Democratic standard bearer if he wants it. Only a few political prognosticators believe that he will accept the third term nomination, however, no one knows except the President himself and he won't tell.

Those proposing to have "inside confidential information" continue to insist that Mr. Donaldson will not run against Humpy Chandler for the Senate seat this year. Donaldson was Governor Johnson's campaign manager in the gubernatorial contest last year during both the primary and general election.

These same fellows professing to have advance information on State politics admit that Mr. Donaldson would like to go to the U. S. Senate and that he will probably run in 1942. If this is true, practical politics would indicate that he will attempt to seize the post this year, if agreeable with the Governor. It is

reasonable to assume that the State Administration is more popular at present than it will be two years hence, for at that time there will probably be a great number of disappointed job seekers. Besides, as this is presidential election year, and as the Governor will control the State Delegates to the National Convention, it is assumed that the National Administration would not cross the Governor in the selection of a Senator. Then, the Hatch Bill, recently strengthened by the Congress, would prevent the Federal job holders in the State from giving Chandler any appreciable help irrespective of their personal feeling because of the danger of losing their jobs.

Developments within the next few days should reveal the attitude of the Governor and Mr. Donaldson toward the Senate contest. Governor Johnson's delay in making appointments makes it appear that everything isn't settled regarding the Senate seat.

It appears highly probable that the State Highway Department might be persuaded to include in Calloway's road building program this year the road leading West from Outland's tobacco factory on the Murray-Benton road to Five Points on the Murray Coldwater road.

The poet sure packed a lot of meaning into a few words when he said, "What you are speaks so loud I can't hear what you say."

PEACE

THE POLITICAL SITUATION IN EUROPE

The recent resignation of the Daladier Government in France has raised the issue as to whether or not France is so torn by internal quarrels that she will be unable to wage a victorious war against Germany.

The overthrow of the French government in time of stress has caused many people to recall that France has been politically upset since 1934 when a mob made up of Fascist and Communist elements attempted to seize the French Chamber of Deputies. It is recalled that on two occasions since that date France has been without a cabinet, what Germany was carrying on conquest in Europe. Some people have despaired of the French situation to the extent that they insist that only a dictatorial government will be able to bring France through a successful war.

Much of the fear that had been entertained as to French unity disappeared last year when Daladier, successful minister of defense in the Blum and Chautemps governments, formed a new ministry. He succeeded in strength-

ening the French financial position, in increasing her defense, and in putting an end to labor difficulties. Daladier's success, however, was made at the expense of the cooperation which once existed between his party (Radical-Socialist) and the Socialists. Since Socialists have the largest party representation in the French Parliament, it was possible for Daladier to stay in power only by the complete support of the extreme Conservatives. Since members of his own party were unwilling to accept all the programs of the Conservative groups, the political weakness in the Daladier ministry. These factors plus the fear that the prime minister was gaining too much power and the feeling of many groups that the government was not pushing the war fast enough led to the crisis which resulted in Daladier's resignation.

A cabinet led by Paul Reynaud has succeeded the former government. It consists to a great extent of former members of the government, including Daladier himself. An attempt has been made, however, to gain Socialist votes by the inclusion of Socialist members in the cabinet. Despite opposition from the extreme Conservatives, there seems to be a chance for the present Cabinet to succeed in its program of pushing the war along same lines.

Extreme fears that France is too disunited to wage a successful war can be allayed by the reminder that the cabinet crisis is not unusual in France. In the first three years of the last war France had five different cabinets, and yet the war went on vigorously against the Germans. The crisis has proved reassuring to many, like the author of this article, who feared that the war might destroy democracy in France. However, as long as governments can change as peacefully as the Daladier Government did during this present crisis, there is little ground for immediate fear as to the continuance of democracy in France.

Some Early History

By JOHN WRIGHT HOLSAPPLE

There is now before me a copy of the Murray Gazette of May 10, 1876; Hutchens and Holsapple editors and proprietors. It is a four page, five column folio. The first page carries editorial matter and a temperance column. The leading editorial is captioned, "What the Democratic Party Should Do." Among the things suggested are: (1) "Throw off the venomous serpent of sectionalism." From Our Files

At the regular meeting of the Calloway Board of Education here Tuesday, M. O. Wyrther, superintendent of Hazel Schools, was confirmed as school superintendent for the four years beginning July 1, 1939.

A simple marker stating in lettering of bronze that a Murray citizen, Nathan B. Stubblefield, is inventor of radio, stands on the campus of Murray State Teachers College today. Unveiled at 11:40 a. m. March 28, in the presence of 1500 people by two daughters of the genius, Mrs. J. H. White, Little Rock, Ark., and Mrs. Victoria Whitaker, Clarksdale, Miss. The tablet states: "Here, in 1902, Nathan B. Stubblefield, 1880-1928, inventor of radio, broadcast and received the human voice by wireless. He made experiments 10 years earlier. The home was 100 feet west."

A picture on the front pages shows the Training School debating team which was winner of the Twelfth District Meet and which was scheduled to go to the state meet in Lexington, April 10. The picture included Prof. E. H. Smith, Era Russell, Reba Shelton, Annie Smith, Martha Key and Prof. J. W. Compton, principal of the Training School.

High-heeled Shoes First Worn by Men

If studies made by the "historical costume design" class at the Kentucky College of Agriculture's home economics department are right—then the more frivolous fashions are due to men, not women. For instance, consider the following awe-inspiring facts:

High-heeled shoes first were worn by a man, King Louis XV, who resented being short and had his heels padded, thus starting the fad which now is a custom.

Elaborate coats and other clothes of many colors, decorated by frilly laces and sashes, were worn by men in the 17th century, with women dressing in relative sedateness.

The very smart two-color or "parti-colored" evening clothes now worn by well dressed women stems directly from men's dress customs during the 18th century. For every Crusade they took part in, men were accorded more colors. It became part of the pomp and heraldry of war, and otherwise parading in style. Thus the parti-colored garb evolved—for men. Women adopted this fashion only rather recently.

In the 1200 period, the "dandies" wore shoes with such long, pointed toes that the toes had to be tied to their knees with chains.

During the Early Renaissance, and even as far back as Egyptian days, men wore elaborate rings on their fingers.

In the days of Louis XVI, men, as well as women, wore coj "patches" of their faces.

Hill Billy Rambler

Mr. and Mrs. James Lamb of Providence spent Saturday and Sunday in the home of Mr. and Mrs. Bill Simmons near Macedonia. Mr. and Mrs. Horlie Hudson of Paris, Tenn. spent Sunday with the Simmons.

Mr. and Mrs. Dane McClure near Midway spent Sunday with Mr. and Mrs. Frank Lax near Concord. Cleave Lax was a caller of his parents, Mr. and Mrs. Frank Lax, Sunday.

Miss Susan Lax and sister, Velma, of near Macedonia, and a few friends were in Paris Saturday night.

Miss Eva Mae Williams of near Macedonia spent Saturday night in the home of Mr. and Mrs. Sip Williams near Cedar Knob—"Curly Top."

Many of them who spent the winter here after returning to their homes reported running into real winter weather. In a few weeks all that intend to leave will be checked out for northern homes.

I am planning on visiting "My Old Kentucky Home" relatives and friends in May the Lord willing. So many loved ones and friends have passed on to their heavenly home and of course that will be somewhat saddening to me.

Woman's Club Will Celebrate Fiftieth Anniversary Of National Federation

The Murray Woman's Club will hold the April meeting on Thursday afternoon, April 11, at 2:30 o'clock at the home of Mrs. Herschel Corn. At this time the fiftieth anniversary of the National Federation of Women's Clubs will be celebrated jointly with the anniversary of the local club.

The national anniversary is being celebrated by clubs throughout the United States, and to commemorate this event, a broadcast with a national hook-up will be presented on April 24.

At the meeting on next Thursday, special honor will be paid to charter members of the As You Like It club organized about 1900, and which later became the Alpha Department, nucleus of the present Murray Woman's Club. The organization of various subsequent departments, the Music, Mother's and Housekeeper's Departments, the Delta and Garden Clubs, will be depicted in costume and song. A candle will be lit for each outstanding achievement of the club during the years, and a large one will burn in memory of deceased members. Each club member will pay ten

cents for her slice of the huge birthday cake, the money thus collected to be applied to the Foundation Fund of the National Federation.

Every member of the Woman's Club is urged to be present at Mrs. Corn's on April 11 at 2:30 o'clock for the impressive celebration of these anniversaries.

AGC Club Meets Thursday Night

The AGC Club was entertained with a beautifully planned party by Mrs. Glen Coy and Miss Louise Pratt on last Thursday night. All club members met at the National Hotel for a surprise gift which consisted of a pretty corsage for each member. The party then went to the Varsity Theatre, and later to Rudy's Cafe where refreshments which had been previously planned by the hostesses, were served.

Shower Compliments Mrs. Dunn

A surprise stork shower was given in honor of Mrs. Guy Dunn at

her home on Saturday afternoon, March 22. The afternoon was spent in conversation and games, and after the many pretty and useful gifts were opened and admired, peaches and cake were served.

Those present were Mrs. Dunn, Mrs. Earl Byerly, Mrs. Chester Filer, Mrs. Marley Ellen McCulston, Mrs. Boyce McCulston, Mrs. Lee Parker, Mrs. Annie Boyd, Mrs. Herbert Smith, Mrs. Vady Rowlett, Mrs. Macon Wrye, Mrs. Amos Dick, Mrs. Tracie Elkins, Mrs. Leland Dunn and daughter, Virginia Ann, of Detroit, Mich.; Mrs. Taylor Valentine, Mrs. Glen Kline, and Mrs. Clovis Byerly.

Those sending gifts were Misses Lucile and Lucy Rowlett, Mrs. Grayel Smith, Mrs. Ida Smith, Mrs. Gracie Watts, Miss Pauline Dunn, Mrs. Mignon Dunn, Mrs. Bradie all of Detroit, Mich., Mrs. Ella and Lizzie Hamilton, Mrs. Dewey Fielder, Mrs. Mattie D. Boyd, Mrs. Ethel Flossie Coleman, Mrs. Rexie Thompson, Mrs. Frankie Wyatt, Mrs. Clemie Bogges, Mrs. Daybelle Warr, Mrs. Myrtle Boyd, Mrs. Cecil Boyd, Mrs. Crawford McClure, Detroit, Mich.

Pace-McCallon Wedding Solemnized March 23

A wedding of much interest to their many relatives and friends was that of Miss Mary Belle Pace, daughter of Mr. and Mrs. A. W. Pace of Benton, to Ralph McCallon, son of Mr. and Mrs. Holly McCallon of near Murray. The ceremony was performed by Rev. Luther Pogue at his home near Murray, on Saturday afternoon, March 23. Their attendants were Miss Anna Frances Hayes and Norville Cole.

The attractive bride was attired in a lovely navy blue ensemble with white accessories. Both the bride and groom are graduates of Kirksey High School, class of 1939, and the groom has attended Draught's Business College in Paducah.

Mr. and Mrs. McCallon are, for the present, making their home with his parents.

Mrs. Butterworth Is Complimented

A group of neighbors and friends surprised Mrs. Chesley Butterworth with an informal party on the occasion of her birthday on March 29. The guests met at Littleton's store and presented Mrs. Butterworth with gifts, later going to a downtown drug store where refreshments were served.

Those present were Mrs. Butterworth, Mrs. Ed Filbeck, Mrs. Joe Ryan, Mrs. Kate Kirk, Mrs. Vernon Stubblefield, Sr., Miss Mary Shipley, Mrs. E. S. Duguid, Sr., and Mrs. Ed Frank Kirk.

Murray Woman's Club Places Ten Commandments in County Schools

Wall plaques bearing the ten commandments were ordered this week by the Murray Woman's Club to be placed in the school rooms of Calloway county schools. With the help of other civic organizations and personal donations, the club was able to order enough plaques to place one in each room of the city and training schools, two in the colored school building and at least one in every school in the county. This is a state-wide project and, so far as is known, Calloway county is the first to be supplied.

Mrs. John W. Carr is chairman of character education for the state federation of Women's Clubs, and it is this department which is responsible for this movement. Mrs. G. T. Hicks, Mrs. Ronald Churchill and Mrs. R. A. Johnston compose the local committee under whose supervision the plaques have been placed throughout the county.

Club Meets at Collegiate Inn

The Sunshine Friend bridge club met Saturday afternoon with Mrs. J. R. Williams at Collegiate Inn. Prizes for high score were awarded Mrs. Everett Ward, Outland and Mrs. John Whitnell.

Delightful refreshments were served to members and the following visiting visitors: Mrs. Jack Calhoun and Mrs. John Whitnell.

Service Club Meets Tuesday Afternoon

Mrs. George Hart and Mrs. James Overby were hostesses Tuesday afternoon at the home of the former to the Service Circle of the First Christian church.

The chairman, Mrs. L. W. Lennox, presided and Mrs. A. B. Austin conducted the devotional. A violin solo was played by Mrs. Woodfin Hutson with Mrs. T. R. Jones at the piano. The principal discussion of the afternoon was given by Mrs. Zelma Carter on the apostle, St. John.

Mrs. Woodfin Hutson received the Service Circle gift.

Dainty refreshments were served to the 25 present, including five new members.

Mrs. Yates Is Club Hostess

Mrs. L. R. Yates was hostess yesterday morning to members of her bridge club. Mrs. Johnnie Parker won the prize for high score.

A delightful party plate was served at the conclusion of the game. Only members were present.

Delta Elect New Officers

The Delta Department of the Murray Woman's Club met Tuesday evening at the home of Mrs. Wells Purdon with Mrs. John Whitnell and Mrs. John Miller as co-hostesses.

Routine business was conducted by Mrs. Jack Kennedy, and the following officers were elected for next year: Mrs. Will H. Whitnell, chairman; Mrs. Wallace Lassiter, vice chairman; Mrs. W. J. Gordon, secretary; and Mrs. Foreman Graham, treasurer.

Dr. Forrest C. Pogue presented the address of the evening, giving a most interesting discussion of John Gunther's "Inside Asia".

During the social hour delightful refreshments were served. Mrs. Rainey T. Wells of Omaha, Neb., was a guest at the meeting.

Murray-Hazel-Lynn Grove P.T.A. Units Hold Joint Meetings

The Murray-Hazel-Lynn Grove units of the P.T.A. held a joint meeting yesterday afternoon at the home of Mrs. Lynn Grove as host.

The program was furnished by Murray and Hazel. The meeting opened with the singing of "America the Beautiful" and the devotionals were conducted by Mrs. O. C. Wells. W. B. Moser of the Murray High School faculty introduced Mrs. Leland Owen, county chairman of P.T.A., by Mrs. Bun Swann, chairman of the Lynn Grove unit; Mrs. Joe Baker, chairman of the Murray unit; and Veron James, representative of the Hazel unit.

An oration on "Peace" was given by Bogard Dunn of Hazel. Musical numbers were presented by the Lynn Grove students under the direction of Charles Farmer, and Hill Billy songs with guitar accompaniment were given by George Bonner of Porttown. A quiz contest was conducted by Mrs. Bessie Paschall and Mrs. A. D. Butterworth with prizes awarded the winners. The meeting closed with the singing of "My Old Kentucky Home".

Dainty refreshments were served by the Lynn Grove unit at the home economics room at the Lynn Grove school.

Preceding the meeting at Lynn Grove, the Murray P.T.A. held a short business session at the high school. Mrs. Joe Baker presided and appointed the following nominating committee to report at the next meeting: Mrs. Loren Adams, Mrs. A. D. Butterworth and Miss Meadow Huie.

Mrs. Lina Hart Celebrates Eightieth Birthday

Mrs. Lina Hart, mother of Mayor George Hart, celebrated her 80th birthday Wednesday, April 3, when relatives gathered to honor her occasion with a birthday dinner.

Covers were laid for the honoree, Mrs. B. H. Crawford, Mr. and Mrs. Jim Hart, Mrs. York, Mrs. O. L. Broesch, Miss Lochie Fay Hart, and the hosts, Mr. and Mrs. George Hart.

Magazine Club Meets With Mrs. Owen

The Magazine Club met Thursday afternoon, March 28, with Mrs. Leland Owen.

After a brief business session presided over by the chairman, Mrs. Hall Hood, Prof. F. P. Ingalls spoke on "American Music Since 1860." Mr. Ingalls illustrated his talk with victrola records which revealed the energy, restlessness, nostalgia, yet sense of beauty, characteristic of modern music in our country.

Mrs. George Baker conducted the drawing for club books.

During the social hour the hostess, assisted by her daughter, served a delicious party plate.

Guests for the afternoon included Mrs. R. E. Broesch, Mrs. J. W. Carr, Mrs. B. B. Scott, Mrs. J. Beale, Mrs. Charles Farmer, Mrs. P. A. Hart, Mrs. K. C. Frazee, Mrs. R. M. Mason, and Mrs. J. D. Rowlett.

Mrs. Langston Is Club Hostess

Mrs. B. O. Langston was hostess Friday afternoon to members of her bridge club and one additional guest, Mrs. K. C. Frazee. The prize for high score was won by Mrs. Clifford Melugin, and the consolation prize by Mrs. Frazee.

The hostess served a delightful party plate at the conclusion of the game.

Ladies Aid Has Luncheon Meeting

The Ladies Aid of the First Christian Church held an all-day meeting Tuesday at the church. A day of fellowship was enjoyed, and routine business attended to with Mrs. Arthur Farmer presiding.

A delightful covered dish luncheon was served at noon. There were about fourteen present.

Missionary Society Meets at Church

The general meeting of the Alice Waters Missionary Society was held Tuesday afternoon at the Methodist church with Mrs. Bryan Tolley presiding.

A miscellaneous program was presented. The group joined in singing "O For a Thousand Tongues" following which Mrs. Max Hurt gave a report from "The Bulletin".

Mrs. George Gatlin presented a vocal solo, and Miss Alice Waters brought an interesting report from the recent council meeting held in New Orleans. Mrs. L. J. Horton spoke on social service, and asked that each of the three circles take some local project in social service work. Her request was accepted by the circles.

The meeting was dismissed with prayer by Mrs. E. A. Tucker. There were about 20 present.

Camera Exhibit At AAUW Meeting

The April meeting of the American Association of University Women will be held in the exhibit hall of the Art Department on the third floor of the Liberal Arts building on Tuesday evening, April 9.

The annual exhibit of the Paducah Camera Club will be shown then, and will remain on exhibition the rest of the week.

Mrs. John Rowlett will discuss camera photography.

The meeting will be called to order at 7:30 o'clock by the president, Miss Suzanne Snook.

Auxiliary Meets Tuesday Afternoon

The Presbyterian Auxiliary met Tuesday afternoon with Miss Cora Graves at the home of Mrs. Ben B. Keys.

The meeting was presided over by Mrs. F. D. Mellen, and the principal discussion was the mission study on Korea and the American Indians which was conducted by Mrs. W. D. Lewis.

Plans for the year were discussed as was also the Presbyterian which is to be held in Providence, Ky., on April 11 and 12, to which Mrs. Mellen and Mrs. F. D. Lewis will go as delegates from the local organization.

A delightful party plate was served by the hostess during the social hour to the eleven members present.

Mrs. Bailey Is Complimented

Mrs. H. B. Bailey was given a surprise hamburger supper in honor of her birthday last Thursday evening by Mrs. Herbert Farris and

Home Economics Department Has Banquet

The Home Economics Department gave a banquet in the Home Economics room at the high school on

April 2 at 6:30. The theme was a "parade of hats." The room was decorated with hats and each girl was given crepe paper to make her hat which she wore during the banquet. The menu was called the "feast of hats." The food was prepared and served by the first year class.

Marjorie Shroat was the toastmistress. The main speaker was Miss Ruth Sexton from the College, whose subject was "The Girl Under the Hat". Other speakers were: Jane Jones on "The Bow of Hats", Mary Martha Farmer on "The Brims of Hats", Irene Watkins on "The Ornaments of Hats", and Carolyn Johnson on "The Crowns of Hats". Music was furnished by the trio composed of Annie Lea Galin, Mayme Ryan, and Mary Frances McElrath. During the evening each person read the poem she had written. The concluding song was "Auld Lang Syne" sung by everyone.

Hardin and Vicinity

Mrs. Lon Dunn of the Hardin telephone exchange, has been with her mother, Mrs. J. W. Bailey, Hazel, since last Friday. She is recuperating from a minor operation.

We understand Mrs. Solon Henson was carried to a Murray hospital Tuesday.

N. A. Lawrence and family visited Mr. Lawrence's daughter, Mrs. H. H. Hart, at Hazel Sunday.

The following Hardin high school debaters left Wednesday morning for Lexington: Alton Ross, coach; Ray Moffield, Winston Starks; Phil Youngblood, J. C. Ross and Joe Gardner. They made the trip by motor.

Mr. and Mrs. J. M. Arnold were guests of Mr. and Mrs. Gus Davenport of Paducah Sunday.

Mr. and Mrs. T. E. Kellow visited Mrs. Kellow's mother, Mrs. McNab in Paducah Sunday.

Mr. and Mrs. John Cathey of Hardin Route 1 were guests of Mr. and Mrs. Leonard Davenport Tuesday.

Mrs. J. V. Alford visited Mrs. Nora Bolin in Paducah Sunday.

Mrs. Henry Davenport and son visited her mother, Mrs. Smith in Murray Sunday.

Hardin notes some growth in the business district by the addition of a cream station at Ross Bros. Grocery.

"Doors"
Some doors have hearts, it seems to me.
They open so invitingly.
You feel they are quite kind-akin
To all the warmth you find within.

Some doors, so weather beaten,
Swing open in a listless way.
As if they wish you had not come—
Their stony silence leaves you dumb.

Some classic doors stand closed and barred,
As if their beauty might be marred.
If any sought admittance there,
Save king or prince or millionaire.

Oh, may mine be a friendly door,
May all who cross the threshold over,
Within find sweet content and rest.
And know each was a welcome guest.

Mrs. Louisa McClure who had been ill in the home of her brother, Tilman Orr and Mrs. Orr for the past five weeks, was called to her heavenly home Wednesday night at the lonely hour of 11 o'clock. Funeral services were held from Oak Grove Church Thursday afternoon with the Rev. Robert Miller in charge. The body was laid to rest in the church cemetery.

Mrs. and Mrs. Willie Everett and daughter, Opal Sue, visited relatives near Taylor's Store Sunday.

Standards . . .
The atmosphere of reverence, dignity and perfection is essential to any and all funeral services. It has been our policy of long standing, in fact it is our entire set of standards, to assure the presence of such an atmosphere in all of the services we conduct, no matter the amount expended for the entire service.

D. E. BILLINGTON
To the Citizens of Calloway County

Did you know the Calloway County Conservancy Club has within the last 1 days, liberated 150 quail in our county, releasing a portion of them in each Magisterial district? Also, that a number of bred female raccoons were released in the county by our club a week ago, and that thousands of fish will be planted in our county streams, lakes and ponds during the year through our club's efforts.

We are urging every person to assist in the protection of our game and fish, and it will be appreciated if you will notify our club if any of the coons released should cause annoyance in any manner, since they were raised in captivity and may be inclined to be rather gentle and have a tendency to invade even your premises. If they should cause any trouble, our club will be glad to catch and release them elsewhere.

We had a splendid meeting at the Hazel High School on Tuesday night of this week, attended by the sportsmen, farmers, and businessmen of that vicinity, and we expect to meet at other locations in the county in the future.

Next Tuesday night is our regular meeting date, and we will meet in the Court House, and hope to have a good speaker and a splendid program. Everybody is invited.

In loving memory of our dear husband and father.
Five years ago March 27, our dear husband and daddy passed away. We miss you Daddy, yes we miss you. Our silent tears are often shed as we think of you so dear. You were so kind and loving to us all. Oh, its sad without you, Daddy. We know it was God's blessed will to take you home to rest.

Sleep on dear Daddy and take thy rest. God called you home. He thought it best, and again He'll reunite us on that resurrection day where there will be no more tears, heart aches or pain.

Written by Mrs. John K. Adams and daughters, Minnie and Nola.

In Memory
In memory of our dear husband and father, Will Howard who passed from this world one year ago today—April 7, 1939.
"God alone knows how we miss you."
Where you all do long to go.
Peaceful be you spirit in a Summer.
Peaceful in thy grave so low.
You no more will know our heart-aches.
No more our sorrows know.
But we hope again to meet you
When the days of life have fled
And in Heaven with joy to greet you
Where no farewell tears are shed.

FILMING OF LIONS MOVIE COMPLETED

Premiere Showing and Crowning of Movie Queen to Be April 15-16

Filming of the Murray Lions Club's motion picture production, "We're in the Movies," has been completed under the direction of Arthur W. Cole and H. William Moore of the John B. Rogers Producing Co. This all-color movie will have its premiere showing April 15-16 in the Murray State College auditorium. All proceeds from the picture will be used by the Lions Club in their Sight Conservation work.

Mr. Moore, the professional cinematographer, reported at the completion of the shooting that the Murray Lions Club has been a most cooperative organization. The picture will be shown at the college campus, attractive homes of Murray, and the up-to-date business houses gave him the opportunity of filming one of his best all-color productions to date. Mr. Cole says that the talent selected by the Lions Club responded splendidly and he promises an intensely interesting and hilariously amusing motion picture.

Mary Nee Farmer, Max Miller, Woodrow Beale, and Prof. L. R. Putnam form the nucleus of the cast of almost 5,500 Murray residents, for the picture is said to include nearly all of Murray. Many scenes were shot on the Court-house Square of unsuspecting shoppers and the picture will provide as complete a cross section of our town as is possible to present on the motion picture screen.

The story of "We're in the Movies" concerns the much heralded arrival of Gary Owens, a Hollywood producer, in the city of Murray, Ky., and the selection of a local girl whom Owens will present a movie contract. The

antics of a maiden lady called Lizette, played by Prof. Putnam, and M. and P. Corvassell, portrayed by Equal Williams and Boyd Gilbert afford comedy galore.

Mr. George Hart and the city council, the entire Chamber of Commerce, the Young Business Men's Club, and the Rotary Club all take part in the picture by welcoming Gary Owens to town.

All school students are shown making preparations for the arrival of Owens. The Lions Club is now arranging a gala premiere for the motion picture to be climaxed by the coronation of some Murray girl as Queen of the Movies by Mayor George Hart, along with the presentation of the runners-up in the contest and their escorts who will constitute the Queen's Court.

Great fanfare will surround the arrival of the Movie Queen, her court, and local dignitaries at the auditorium on both nights of the production. Floodlights and spotlights will play upon Miss Queen of the Movies and upon the crowds on hand to witness Murray's own motion picture made possible by the Lions Club and local merchants.

The beautiful loving cup to be presented to the Movie Queen during her coronation ceremonies is now on display in the H. B. Bailey Jewelry Store window. The standings of the contest candidates are listed in this issue of the Ledger & Times along with a voting ballot with 100 votes which may be clipped out and cast in one of the ballot boxes. A window in the Murray Motor Co. has also been devoted to the daily tabulation of the girls' standings in the contest.

Tickets may be obtained through any of the Queen contestants or from members of the Lions, Rotary, and Young Business Men's Clubs. The Boy Scouts of Murray are aiding the Lions Club in their civic project and tickets purchased through the Scouts will benefit them in their present drive.

Don't forget to clip the Ledger & Times voting coupons and place your favorite Movie Queen contestant on top.

Date of Big Snow Fixed by Anderson

The sun has been shining for a day or two now and winter seems banished from our minds but in a moment to establish the date of the big snow in March, about which Mr. C. B. Fulton, told us last week, Mr. L. C. Anderson, visited the Ledger & Times this week and stated that "it must have been in '75."

The reason for Mr. Anderson's fixing the date so firmly in his mind is quite an interesting one. Mr. Anderson, who will be 72 this month, stated that he with his parents, Mr. and Mrs. Jim Anderson, had family, were moving back to Kentucky after having lived several years in Missouri, and they camped out about two miles below Mayfield.

The wagon did not afford space for all the family to sleep, so a bed of straw was made down in the open for the three boys.

During the night an 18 inch snow fell and when they awakened they were almost too warm, since the weight of the snow had packed the covers so tightly over them.

THE GARDEN

By John S. Gardner.

To grow good potatoes, it is essential to use good seed. Three kinds of seed potatoes are used in Kentucky: "Home-saved," common or "select," and certified. Of these, certified seed is the best. "Home-saved" seed potatoes are those saved from the spring crop of the year before, their health is always uncertain and frequently quite disappointing. The difficulty is that, no matter how good the seed was from which they were grown, their age is against them, for they began sprouting last September or October and kept losing vitality from that time on. When it is recalled that five months will have elapsed before they are planted, the degree of their decline in vitality can be appreciated. Thus, even though their condition is apparently good, "home-saved" seed potatoes are not good seed.

Common seed, sometimes called "select," is better, at least as regards vitality, but more than likely it holds a considerable amount on running-out disease in it. The running-out diseases are those that cause the stunting of plants, the rolling and ruffling of leaves as well as their lack of blue-green color. Plants affected grow slowly, and commonly die long before they have reached full-size, and the potatoes under them fall to reach profitable size. Besides, the tubers lack shapeliness, and eating quality.

"Select" seed is sometimes quite good; but because of the running-out diseases it may carry it is not ever quite safe seed to use. Certified seed, in contrast, is health seed stock, grown so by removing from the seedfields all plants that show abnormalities of any kind. Thus, only healthy plants can result, with consequent heavy yields of smooth, shapely tubers of high quality.

As applied to seed potatoes, the word "certified" is sometimes misapplied. For example, some seed-sacks are tagged, "These potatoes are certified for use as seed." Another is "certified to be grown in dry land areas."

Still another tag reads, "Grown in the Ash Candler Valley," a mythical place, even with "Irish" spelled correctly! Rather, the tag on genuine certified seed shows the grower's name and address, and the name of some authorized State organization or some department of a State College of Agriculture. Sometimes the tag is sealed, but sometimes not. The point is that it carries complete identification, whereas bogus tags are so casual as to deceive no one who will read them through.

Certified seed potatoes cost more than "select" seed, but they are worth ever so much more, in the crops that result from their planting. It has not been uncommon to procure twice the potatoes "select" seed produces, but always they return the difference in price many, many times over. To use certified seed is always good business, and gardeners who want even only to produce their home supply of potatoes, will use them, always.

Not Everybody in Calloway county subscribes to the Ledger & Times but nearly everybody reads it!

Promising New Pear Resists Fire Blight

Hot, humid summers throughout most fruit-producing areas make fire blight a serious problem in growing pears. That is the reason most of the high-quality dessert pears are grown in the Western States where the weather is drier and blight is not so serious. Fruit tree breeders of the Federal Bureau of Plant Industry have introduced a new pear variety which stands up well under blight. The new pear, known as the Waite, has excellent cooking and canning qualities, and in dessert quality is far ahead of such varieties as Kieffer and Pinnapple.

In describing the new pear, the Bureau scientists say that it is nearly as large as the Bartlett and is nearly free of the fire blight which characterizes the Kieffer. It is a little more acid than the Bartlett and ripens about the same time as the Kieffer with yields consistently high.

The scientists believe that the new pear will be particularly adapted to areas south of New York and may prove of value as far west as Kansas. Its cold hardiness has not been determined. They do not know whether the Waite will grow well south of the apple belt, but experimental plantings have been made in Georgia and central Mississippi.

The Bureau does not distribute the new pear. Some commercial nurseries are advertising the Waite for the first time this year. These nurseries are the only source of planting stock.

Pine Bluff Nine Will Hold Meet Sunday

With the smell of springtime decidedly in the air, Otis Eldridge, veteran baseball enthusiast and years manager of the Pine Bluff Baseball Club, advised the Ledger & Times, with weather permitting, the first meeting of the Bluff team for the new season will be held Sunday, April 7, at their diamond on the river side.

Eldridge said preliminary plans for the 1940 season would be discussed and probably a short work-out would be held. He requested all persons interested in trying out for the team to be present at the initial meeting.

Eldridge stated that prospects for a good ball team down his way were very bright with several of last year's players on hand and a goodly sprinkling of rookies of the class ability available to fill in the gaps.

Henderson county homemakers continued their curb market in Henderson through the winter.

Merchants are cooperating in encouraging planting certified seed potatoes in Perry county.

More than 400 persons in Henry county attended meetings to hear discussions of livestock diseases.

Plans are being made for representatives from various civic organizations to assist in welcoming these visitors, with the extra special attraction of the Murray State College Band.

Members of the Memphis group who stopped in Murray on a previous occasion offered the highest praise for the band and the citizens from Murray who welcomed them in a downpour of rain.

Under the law, as amended, claimants found to have voluntarily quit their jobs without good cause, who were discharged for misconduct, or who refuse to accept suitable employment may have the amount of benefits payable to them reduced, the reduction ranging from 2 weeks to the full 16 weeks. In addition the claimant will be required to serve the waiting period ranging from 2 to 16 weeks.

Amendments to Insurance Law Added Recently

All amendments to Kentucky's Unemployment Insurance law which were attached to the law at the recent session of the general assembly and approved by Governor Keen Johnson were in effect on or before April 1. Some of the amendments became effective immediately upon approval of the amended law by the Governor while others went into effect Monday.

Of interest to employees are the following provisions:

Limiting the payment of employer contributions to the first \$3.00 of wages paid to any one worker. Formerly the employer was required to pay his contributions on the worker's total wages.

Changing the basis of payment of contributions from wages "payable" to wages "paid", thus removing any difference as to the tax basis under the various Social Security programs resulting in simplifications of reports for the employer.

"Providing that the reserve accounts of all employers of a claimant shall be proportionately charged for benefits payable to the claimant. The law formerly provided that the charges were to be made in the inverse chronological order in which the wages were earned."

In addition to these provisions, the law has re-defined "wages" so as not to include many items such as dismissal wages which the employer formerly was required to include in determining the amount of his contributions.

The law also extends the time for claiming refunds of contributions paid in error from one to two years and extends until March 1 the deadline for filing applications for discontinuing payment of contributions as an employer no longer subject to the law.

The following boys, accompanied by their agriculture teacher, motored to the Paducah broadcasting station last Thursday afternoon for their radio program: Keith Ross, president, Robert Hall, James Chaney, Ralph Ragdale, Testel Elkins and James McDaniel.

The Faxon chapter won slightly more than their allotted share of the prize money at the annual F.F.A. Day at Sharpe, March 30. James Chaney captured 2nd place honors in the impromptu speaking contest, and his younger brother, Eugene Chaney, followed suit with 2nd place in the swine enterprise test. Our congratulations to these and other winners.

Having completed preparation and participation in the F.F.A. Field Day, which was held at Sharpe High School, and in which we were quite successful, placing second among the 23 chapters competing in the contest, we now turn our attention to our group projects.

But first let us congratulate our members who placed first in the various contests. These honors go to Will Frank Steely, public speaking; Robert Hendon, farm management; Win. Adams, poultry; Carlos Steele, soils; and Bill Ed Hendon, beef cattle.

Our project in which we purchase fertilizer cooperatively, and sell to farmers as well as members of our chapter, is progressing nicely. Our object is two-fold, first to encourage the use of fertilizer, second to

benefit rate and total benefit amount will be based on his earnings during a 12-month period termed the claimant's base year. His total earnings during that period will determine his benefit rate and benefit amount. By referring to a table shown on the claim, the worker may determine, for himself, his benefit rate and benefit amount. It was formerly necessary to determine these items through a complex mathematical formula which, in many cases, confused the claimant.

FUTURE FARMERS OF AMERICA

The National Organization for Boys
STUDYING VOCATIONAL AGRICULTURE

Lynn Grove
The Lynn Grove F.F.A. chapter was represented at the Field Day held at Sharpe, by 17 boys who reported a nice time. The chapter regrets that two of our members were prevented from attending the meet because of illness. They are Donald Crawford and Barkley Jones.

The group stopped on the return trip and made pictures of those who placed and of the entire group. Those who placed are:

Mac Wright, second in dairying; Robert Lee Kelley, second in home beautification; Halford Hart, third in the individual music contest with a solo and third in farm management. The quartet, entering in chapter music, placed second. It is composed of Noah Armstrong, Halford Hart, Hillson Myers and Watson Arnold. Thomas Armstrong placed third in hays and pastures.

The Chapter Secretary's Book placed third and the Treasurer's Book won second place in the book contest.

The group made the trip in three cars and we wish to express our appreciation to those who furnished the cars.—By Eugene Smith.

Having completed preparation and participation in the F.F.A. Field Day, which was held at Sharpe High School, and in which we were quite successful, placing second among the 23 chapters competing in the contest, we now turn our attention to our group projects.

But first let us congratulate our members who placed first in the various contests. These honors go to Will Frank Steely, public speaking; Robert Hendon, farm management; Win. Adams, poultry; Carlos Steele, soils; and Bill Ed Hendon, beef cattle.

Our project in which we purchase fertilizer cooperatively, and sell to farmers as well as members of our chapter, is progressing nicely. Our object is two-fold, first to encourage the use of fertilizer, second to

benefit rate and total benefit amount will be based on his earnings during a 12-month period termed the claimant's base year. His total earnings during that period will determine his benefit rate and benefit amount. By referring to a table shown on the claim, the worker may determine, for himself, his benefit rate and benefit amount. It was formerly necessary to determine these items through a complex mathematical formula which, in many cases, confused the claimant.

Of interest to employer are the following provisions:

Limiting the payment of employer contributions to the first \$3.00 of wages paid to any one worker. Formerly the employer was required to pay his contributions on the worker's total wages.

Changing the basis of payment of contributions from wages "payable" to wages "paid", thus removing any difference as to the tax basis under the various Social Security programs resulting in simplifications of reports for the employer.

"Providing that the reserve accounts of all employers of a claimant shall be proportionately charged for benefits payable to the claimant. The law formerly provided that the charges were to be made in the inverse chronological order in which the wages were earned."

In addition to these provisions, the law has re-defined "wages" so as not to include many items such as dismissal wages which the employer formerly was required to include in determining the amount of his contributions.

The law also extends the time for claiming refunds of contributions paid in error from one to two years and extends until March 1 the deadline for filing applications for discontinuing payment of contributions as an employer no longer subject to the law.

The following boys, accompanied by their agriculture teacher, motored to the Paducah broadcasting station last Thursday afternoon for their radio program: Keith Ross, president, Robert Hall, James Chaney, Ralph Ragdale, Testel Elkins and James McDaniel.

MURRAY CITIZENS HURT IN ACCIDENT

Mr. and Mrs. J. R. Williams and
Ed Thurman Receive Injuries
Sunday Night

Mr. and Mrs. J. R. Williams and
Ed Thurman narrowly escaped
serious injury Sunday night when
the car in which they were rid-
ing was wrecked on the highway
between Hornsbeck and Union City,
Tenn. The accident occurred about
10:30.

According to reports, the lights
of an oncoming car blinded Mr.

Williams and caused him to lose
control of the car. The occupants
were pinned in the car and were
unable to extricate themselves un-
til passersby prized the door loose
to get them out.

All three received medical treat-
ment in Union City and Mrs. Wil-
liams was brought to a Murray
clinic for further observation. She
was released Wednesday.

Mr. Williams and Mr. Thurman
both received bruises and scratches
but were not confined to the hos-
pital.

HAYS REPORTS ON DAM FOUNDATION

TVA Construction Engineer Gives
Facts on Gilbertville Project
Location

James B. Hays, construction en-
gineer on the Kentucky Dam, re-
cently explained the engineering
phases of the great TVA project,
including a discussion of the foun-
dation problems that were over-
come.

Discussing the engineering prob-
lems, Mr. Hays told of the large
amount of preliminary investiga-
tions which were made of the dam
site before construction began.

It has been long recognized, Mr.
Hays said, that the Lower Tennes-
see River afforded the largest single
flood control reservoir in the Ohio
River system, with the added ad-
vantage that a dam placed at the
mouth of the Tennessee would per-
mit stopping the entire flow of the
river during flood periods until the
crest of the floods on the Ohio had
passed Paducah and Cairo.

The question, however, was where a
dam of sufficient size to afford ade-
quate flood control could be placed.
In addition to the Gilbertville
site, a number of other sites were
explored. It was at Gilbertville,
however, that the best bed rock
conditions were found suitable for
dam foundations, and it was the
type of rock foundation that deter-
mined the dam site.

In investigating the dam site, Mr.
Hays explained, about 100,000 feet
of core drilling was done, some of
this drilling going down about 600
feet, or about 300 feet below sea
level to determine whether cavi-
ties existed under the proposed
dam site.

The core drilling showed that the
bedrock was composed of flat bed-
ded strata of limestone. Over this
limestone, however, there is an al-
luvial deposit ranging from 50 to
150 feet in depth, much of which
is made of sand and gravel.

At present, the construction work
is concentrated very largely on the
excavation for the navigation lock
and on the building of the coffer
dam extending out into the river
from the east bank. Within the
area enclosed by the coffer dam,
the powerhouse and the first sec-
tion of the dam will be built. Mr.
Hays told how sheet steel piling is
thrust together and driven
through the alluvial deposit in the
river bed to form great interlock-
ing circular cells, which in turn, when
filled with sand and gravel, will
form the coffer dam. The coffer
dam, when completed, Mr. Hays
said, will be one of the largest ever
used in dam construction, having
been exceeded in size only slightly
by the coffer dam at Grand Coulee.

Mr. Hays explained how crushed
rock and sand will be obtained for
concrete. Sand will be dredged out
of the river bed. The river gravel,
however, was found unsuitable for
concrete and as a result the TVA
has opened a rock quarry a few
miles up the river from the site of
the dam, where an excellent qual-
ity of limestone will be obtained.

Jessamine county farmers are
planning to purchase 1,000 western
ewes—and at least 100 registered
rams.

Gairard county 4-H club mem-
bers will finish three carloads of
calves for the state fair cattle show.

WORKMAN FAMILY HEAR BILLINGTON

Murray People Visiting in Akron
Attend Services at Baptist
Temple

Mr. and Mrs. Amos Workman
and daughter, Grace Lee, of Mur-
ray were recent visitors of Rev.
and Mrs. D. F. Billington of Akron,
Ohio.

On March 17, they attended Sun-
day School and church services at
the Akron Baptist Temple, of which
Rev. Billington is pastor and
founder.

The Sunday School congregation
on this day numbered 1010 and the
crowd at the evening service was
estimated at 3000. Twenty-five ad-
ditions were made to the church
on that day.

Billington, who is a native Cal-
loway county, organized the Tem-
ple in 1935 with a membership of
1800.

The \$100,000 building, which
was dedicated April 17, 1937, was
built through loans from friends
and radio listeners and without the
aid of an commercial lending insti-
tution. The mortgage on the build-
ing was to be destroyed on Easter
Sunday, March 24. Plans for a
\$75,000 Sunday School addition have
been drawn up and work is ex-
pected to begin in the near future.

Among many of the interesting
features of the building are a pub-
lic address system to cover a crowd
of 10,000 outside the church, and
the third largest mural painting in
the world. It includes 750 square
feet of a neon sign valued at \$500.00
which will be in the shape of an
open Bible to be placed on the
front of the building. A four-acre
parking lot is maintained for the
benefit of the congregation.

Rev. Billington plans to return
to his native state this summer for
a series of meetings. He also in-
vites all his friends from this com-
munity to visit his church while
in Akron. A radio broadcast is
conducted by Rev. Billington each
Sunday from 5:00 to 5:30 o'clock
over WJW, Akron.

SHARBOROUGH SPEAKS
Jack Sharborough, head of the
Calloway County Lumber Com-
pany, addressed the Commerce
Club at its regular meeting Mon-
day, March 18, in the commerce
room of the library.

The lumber business and the
opening there for jobs for young
people was the subject of Mr.
Sharborough's address.

Tribute To Hugh P. Wear

By John Wright Holsapple

I have just read the Ledger &
Times account of the passing of
my old friend, Hugh Wear, and
feel impelled to ask for space to
say a few words about this good
man.

He was one of the friends of
my youth and one of a large fam-
ily of well known and highly
esteemed Kentuckians. Of his
several brothers, W. O. (Billy),
was one of my closest friends, and
Hugh seemed to take his place in
my affections after Billy passed
away. Hugh maintained the Wear
traditions in the drug store and in
the church, which was there even
before my day. And when I went
to the First Christian church, in
Murray I always found him there.

In fact he was a member there
when I joined it in 1876. Just a
few years ago I asked him for the
date of my baptism and he read-
ily turned to the record and gave
it to me. His place will be hard
to fill. His memory will live in
our hearts.

"We hope that in the Heavenly
land."
Where years will not be num-
bered.
We'll meet again a happy band
Where bonds will never be
sundered.

The land where none will older
grow
And none be fretting, sighing,
That happy land in which we'll
know
No sickness, pain or dying."

L. BOGGESS' KITE WINS FIRST PRIZE

Much Enthusiasm Shown in Event
Sponsored by Murray College
Museum, Saturday

Lexie Boggess, son of Dr. and
Mrs. H. H. Boggess of Murray
Route 6, took high honors in the
annual Jackson Purchase Kite Con-
test here Saturday afternoon. The
event is sponsored by the Murray
College Museum, under the super-
vision of Wesley C. Kemper.

Kites of many types were in the
air at 2:30, however, some of the
boys had the misfortune of letting
their entries break away before
judging time, in fact one of the
kites which broke away was hold-
ing a wide margin in altitude a
few minutes before 2:30 o'clock.

The complete list of winners are
as follows:
1. Highest home made kite, \$2,
Lexie Boggess.
2. Highest kite, any make, \$1.00,
Lexie Boggess.
3. Highest box kite, \$1.00, Gene
Crawford.
4. Smallest kite, \$1.00, Pat
Baker.
5. Largest kite, \$1.00, split by
Herbert Haley and Bill Corbin
who tied.

Others having kites in the con-
test were Ralph Wade Morris, Mur-
ray Route 6; George Ed Hargrove,
Murray Route 1; Kenneth Slaughter,
South 16th St., Murray; Pat
Trevelyan, Murray Route 5; Jack
Ward, Murray Route 1; Maurice
Evans, Hamilton Avenue, Mur-
ray; Brent Hughes, 302 South 6th
Street, Murray; James Rickman,
Murray Route 1; Edward Boggess,
Murray Route 2; Joseph Hughes,
1837 Farmer Ave., Murray; Myles
Thomas Tune, Murray; Joe Tune,
Murray; James Holsapple, Murray;
and others.

Mr. Kemper presented the
awards and advised the boys that
a model airplane flight contest
would be held in May or June
and stated that the rules and regu-
lations for the models would be
released in the near future.

The severe winter made purchase
of feeds necessary among Owen
county sheep producers.
Complete records are being kept
on 15 flocks of native ewes in Ed-
monson county.

Cedar Knob News

Well, folks, time at my door again for me to get my pen and begin with this Cedar Knob News.

I love the month of April because the very atmosphere makes me want to get a fish hook and lunch, pull and swing down the lane to Blood River creek.

I like the smell of fresh turnip greens as they are swished up and down in a tub of water. I like to hear the weekly wash flip-flop in the April showers, the "cut cut" and cheep of mother hens and chicks as they scatch away hunting a dainty morsel. I see the birds and all God's handiwork and am thankful that I am permitted to enjoy the riches of life.

Mayfield Route 5

Guess this is the first news you've had from around here in a while, but we are still alive. News is a little short this week.

Euclid Waggoner, son of Mrs. R. M. Waggoner, and Miss Pauline Wyatt, daughter of Mr. and Mrs. A. B. Wyatt, were united in marriage Monday afternoon.

Albert Grugett's feed barn was destroyed by fire Saturday night. A new wagon and some corn and hay were also burned.

Plans were announced Sunday for a Bible Institute to be held at the New Hope Baptist Church, beginning Friday night, April 19th. The speakers are as follows: Friday night, F. Chandler and T. Garner; Saturday night, N. D. Story and Rev. Goff Sunday morning at 11:00 o'clock; Rev. Famer; Sunday afternoon at 1:30, W. H. Horton, and at 2:30, J. W. Nelson. Everybody come and bring someone with you. Dinner will be served.

We were very sorry indeed to hear of the death of John David Lawrence. You parents have our deepest sympathy.

If this escapes the waste basket I'll write again.—"Honey Gal".

"That Watkins Girl"

We wish to remind you that the postponed junior play, "That Watkins Girl," will be given Friday night, April 5. Be sure to see this 3-act comedy-drama. Remember the date, Friday, April 5!

Plans are being made for the junior-senior banquet. The date for this banquet, one of the most "looked for" events of the year, is April 16.

Members who participated in the FFA Field Day at Sharpe Saturday, March 29, received some good ratings and reported an enjoyable day.

The seniors are making notable progress on the yearbook. Everything is now ready for typing.

This pretty sunshine we have been having lately means we can start outdoor sports. The sport of sports at this school is dollar pitching. Several sets are in use over the campus and don't think the boys' skill is very much ahead of the girls in this entertaining sport.

The sophomore class lost one of its members last week by Mrs. Beba Nell Rogers deciding to quit school in order to get married to Ruble Hendon of Sedalia. This school extends congratulations to this young couple.

Through an error in last week's news the names of Isocetta Morris and Iva Nell Wilkerson were omitted from the honor roll.

Bad Road News

Easter has come and gone and it was quite a strange happening to have a white Easter with about eight inches of snow which fell on the preceding Saturday night.

The snow remained on the ground about four days which was a long time considering it to be fourth Sunday in March. Regardless of the snow, fourth Monday in March found the streets of Murray filled with people and ripples and horses.

"Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary! Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. This it often aids digestion; helps build strength, energy, resistance to periodic disturbances. Others find help for periodic discomfort this way. Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

CHURCHES

FIRST CHRISTIAN CHURCH

A. V. Havens, Minister
"We Shall Reap" will be the sermon subject of A. V. Havens, minister of the First Christian Church, at the morning worship service, next Sunday morning.

"The hope of attainment," remarked Mr. Havens, in announcing the sermon, "is wholly lacking in most lives. With no hope of accomplishment or reward, there is then no purpose, no goal, no inspiration and hence no great effort. This is true not only of individuals but also of whole groups of people, such as churches and communities. We need to realize our lives." Mr. Havens said, "for the fulfillment of some definite purpose. Then, we need to develop something of the stubborn persistence of the farmer who after years of drought and blight, continues, through the hot, dreary summer, to till the soil in the hope of an eventual harvest. This sermon," Mr. Havens concluded, "will seek to present the positive assurances of human attainment."

Special music and responses will be by the trained chorus choir directed by Prof. L. R. Putnam. The beautiful organ prelude by Charles Farmer will begin promptly at 10:30.

Bob Orr and daughter were the guests of Rudy Orr and family Saturday evening.

L. B. Wilkerson and Rudy Orr were in Murray on business Saturday.

Mr. and Mrs. Rudy Orr and son, Robert, visited in the home of Hall Farris and family Sunday morning and heard the Kentucky Quartet.

Mary Lou Carter of Paris returned to her home Wednesday, visited in the evening with her aunt, Mrs. Hall Farris and her cousin, Katherine Glover.

Mrs. Rudy Orr and son, Robert, visited Mrs. Buford Yarbrough Saturday.

Mr. and Mrs. Dee Parker and son spent a few days last week with their daughter and sister at Hickman—Red Bird.

The young people's Tea-Talk will be held at the home of the minister, Wednesday night at 7 o'clock.

The Woman's Christian Missionary Society will meet Tuesday afternoon, at 2:30, with Mrs. Arthur Farmer.

MURRAY METHODIST CHURCH
Sunday, April 7, 1940
At the morning worship hour, 10:30 o'clock, Rev. C. N. Jolly, our district superintendent, will preach for us and administer the Sacrament of the Lord's Supper. You will want to hear Bro. Jolly and surely you will want to meet with God's people at the Lord's Table.

The special musical feature of the morning service will be the Men's chorus, singing "Am I a Soldier of the Cross."

A the evening hour, 7:30 o'clock, the pastor will preach on "Grasping the Opportunity," using the courage of Queen Esther as an example both of courage and of Grasping the Opportunity.

The official board is called to meet on Monday night, April 8, at 7:30 o'clock on important business.

Mr. C. A. Hale, our enthusiastic Sunday-school superintendent, will be glad to see you at Sunday-school and will do all possible to make you welcome. You should come yourself and bring the members of your family.

We wish to remind our people that Sunday, May 5, is to be Go-to-Sunday-school-Sunday in the State of Kentucky. Make your plans to be at Sunday-school that morning.

Our children and young people meet in their respective meetings each Sunday evening and invite your sons and daughters to meet with them. It might help your children to meet with them.

All visitors and strangers are cordially invited to worship with us.

Wall's Drug

How many persons have you heard recently humming one of Stephen Foster's tunes and how many times have you heard one of his compositions over the radio? Lay it all to the very beautiful picture, Sewanee River, which was shown at our theatre last week. All the tunes so dear to the hearts of Southerners which are the very embodiment of American folk songs were incorporated in that picture, which was in technicolor. Many have exclaimed it the best they have ever seen.

I have been reading some gardening advice offered by N. R. Elliott of the University of Kentucky department of Horticulture about the arrangement of perennials. He suggests that you copy no picture nor garden that you have seen since every lawn, fers in drainage, size and location to the extent that what you fit one place would not be suitable for another.

Mr. Elliott thinks it better to plant perennials in groups rather than in rows and leave it to the planter's judgment as to the color arrangement.

Perennials are becoming increasingly popular because they save so much trouble as it is not necessary to reseed and reset these plants each year.

In establishing your perennial border, Mr. Elliott suggests that it is usually best to locate it at one side or to the back of the lawn. This plan will allow you to take better care of the plants and the arrangement is more effective. The scattering of perennials over the entire lawn is never satisfactory.

In moving perennials, never allow them to wilt. This may be accomplished by moving a large clump of dirt with each plant. Apply water liberally after the plant is set in the new location. Prepare the soil carefully before resetting and enrich it after setting the plant. Spade soil to at least 15 inches in depth and plant in sunny places as most perennials will not bloom well in the shade.

The decorative studios of a large paint company have carried on research work with regard to the meaning and emotional effect of various colors and have issued a book showing the uses of the various colors in house decoration. Their explanation of one color is as follows:

YELLOW: Artists and decorators the world over have approved yellow for both interiors and exteriors and give it a right-

ful place as one of the most cheerful, loveliest hues we can use. This warm, advancing color is pleasantly stimulating. A study, playroom or work room done in a soft yellow is a delightful place in which to work. Dark bedrooms get a new lease on life when painted in this sunny shade. It is a particularly good color for dining rooms because of its bright, cheerful quality. In kitchen and bathroom, too, yellow is a welcome color—its cleanliness and light reflection value enhance the bright side-and-span feeling these rooms should enjoy.

Yellow is an old favorite for the exterior of a home. Colonial yellow, a present-day favorite, gained its fame long ago in the antebellum South. As a trim color yellow has its value, too, with brown, cream or ivory, and a white house with yellow shutters has a style of beauty and distinction that appeals to everyone.

If you want to add an extra touch to a pie and have never done it this way, try what the people in North Carolina call a "vanilla Pecan Pie." Fill a cooked pastry shell with a vanilla-flavored custard, top with crushed pecans and then with meringue and brown. It is really delicious.

Charlie Fennel has a light case of flu at this writing.

Well, I don't guess you will see Mrs. Norman Bennett and Mrs. Raymond Starks wearing wrinkled clothes for the next few days. They purchased new gasoline frocks.

Mrs. Oscar Thompson, Miss Dora Ross and Mrs. Raymond Starks and children were the guests of Mrs. Howell Starks Friday afternoon.

Come on with your news, Brown Eyes—I haven't seen your letter for the last two weeks.

Well, as news is scarce, I will go and hope to be with you again next week—"Pudding Face"

Stella Gossip

The windy month of March came in like a goat and went out like Mary's little lamb. Bless her little heart!

Mr. and Mrs. Connie Mills and Richard, Mrs. Ida Cochran and Ruth took in Paris, Tenn., March 30. They went by the way of Murray where they sold ten dozen eggs.

Ole "Eagle" took in Murray episodes last Saturday in Ledger & Times office. I saw the "Spillway" but "One Bird to Another" was out searching for items. I did not disturb the boys in the rear. "Ole Crip" "Pine Bluff" scribbled—was on high oats.

John Roe and Dick Wilcox were in town, still wearing their pet mustaches. I shore am proud of my upper lip. Bob Jackson's hands were twisted out of shape with rheumatism but will be much better when the sun shines hot. I know by fly lame, rheumatic game knees. Gone with the wind.

While writing this item, Prof. Barber Edwards is at the microphone at Hopkinsville directing the quartet's weekly songs. Barber makes a splendid announcer. Have I ever been heard "over the air" from Paducah broadcasting station and ever sailed in an airplane over Coldwater and environs? Oh yes, my child!

Ole "Eagle", of 19th century: Eun Douglas, Civil War veteran like Mrs. Epp Hurt, Mrs. Rubie Richardson, and Mrs. Dixie Workman will celebrate April 11th as their annual birthday. Sailing down the pike on roller skates—happy, glad, and gay. Are you listening?

I am reminding and warning you—the second time that the sun will be in eclipse next Sunday, April 7, at 2:35 p.m. Use smoked glass or telescope. And there will be lights in the firmaments of heaven for signs, seasons, days and years. Say, did you ever hear me prophesy on the weather? Tee-hee!

On dark nights, out here five miles west of Murray, I can see the glittering electric lights from Murray State Teachers College at my home on Highway No. 121—blacktop, can you see them? And the tomb stones in West Fork Church Graveyard. And I can lay flat on my back and snore like a big male elephant.

Leo McKinney and family had as their guests last Sunday Willie Holsapple, wife, Estell, children, Lorena, Bonnie, and Thomas, Joe and Berlene of Murray, also Mr. and Mrs. Graves Holsapple and Bettie Jo out Penny way. The first time I saw Willie was on the way to Backsburg to the great show in a large cattle truck. By the time we (13 of us) landed down there I was jolted limber as a dish rag. Had a pain in both sides.

The big "Mule Day" in Murray 4th Monday in March on Court Square, when everything got lined up in front of the large, modern stores, for the judges to render decision for premiums. Then came the magnificent Murray High School band marching in—ladies and gentlemen in gorgeous uniforms. But Bob Duncan, of Hazel, with his unassuming yoke of Oxen, "Bill" and "Tige", 5-year-olds, and weighing 1400 pounds each. White-face Redefords—capped the climax. Gaydon Pace of Hardin, when a big boy, had to plow with yoke of oxen. So did I when green weeds were around the thumps. But that was away back before cussing had gone out of date. C. U. later—"Eagle".

There's a cheery hello to all as we try to write again. Hope everyone is feeling fine. The weather is fine here now and the farmers are beginning to plant gardens.

Annus Garland is very ill with pneumonia at this writing.

E. L. Barnett, who was attacked by a hog and injured last week, is doing fine.

Lowell Steele is home from Richmond, Ky., where he has been for treatment of his eyes. Mrs. Roy Searbrough is home from the hospital.

Mr. and Mrs. Mark Elkins are the parents of a new baby girl at their home. The infant has been named Nancy Lee. The mother and baby returned from the hospital last Sunday.

R. R. Roberts and Otis Eldridge took a load of livestock over to Hazel last Saturday but they didn't get rich as prices are so low.

Mr. and Mrs. H. E. Lassiter were in this neighborhood Sunday. There was a crowd at Bluff Sunday afternoon. A game of round ball was played.

Next Sunday we will have the old baseball down there, so come on down and let's have some fun. Mr. and Mrs. Lavern Bucy, Old

Between the Rivers

Some time has passed since I sent in a few news items from this community. However, I have not missed a week reading the Ledger & Times. Knowing as many people in Calloway as I do I find almost every column interesting and always look forward to getting the Ledger. I have known the new editor for a long time.

"We have had a lot of flu and other sickness around here for the past two months."

The many friends of Oscar Vinson will be sad to hear of his death. He passed away last Tuesday. He had flu followed by double pneumonia. He will be greatly missed by his family and neighbors. Mr. Vinson was indeed an outstanding member of this community. He was the son of Willie Vinson and Mrs. Rena Vinson. He passed away just 10 months ago.

Mr. Oscar leaves his wife, Mrs. Orleana Cable Vinson, a daughter, Ida Lorene, a son, Willie Owen and many, many relatives and friends who will miss his kindness.

We extend sympathy to the family. Miss Polly Johnson of Paris, Tenn., visited Mr. and Mrs. T. S. Vinson this week.

Mr. and Mrs. Woodrow Dill and son, Don, of Paris, spent the week end with Mr. and Mrs. J. D. Dill and other relatives.

Mr. and Mrs. Paul Dill and children of Calvert City have returned to their home. Mrs. Dill had been at the bedside of her brother, Oscar Vinson.

Thomas Barrett, son of Mr. and Mrs. Clifton Barrett, is still in a serious condition at the hospital in Murray. We wish for Thomas a speedy recovery.

We see the fruit trees budding and the spring flowers peeping through the ground and baby chickens give us a new thought and possibly a worry but maybe the dark shadows of the bereaved homes that have had sadness will be lifted and we can enjoy spring.

The TVA trucks and cars are stopping in our community every day. That makes us wonder how many more improvements to make our farms. We can't help but shed tears when we are in conversation with our good friends and neighbors, as we converse as to where we will go, and how scattered we will be. We almost wish it was all a dream and we could go on living at our homes. Humble or great, it's home to us.

People are, ghastly, say, "Oh, well, they will pay you." They do not know how that sounds to one who is going to receive the pay. Suppose we don't sell. Suppose you are satisfied with your present location. Suppose you are being separated from family, church and all the ties that have to be broken when you leave a community you are happy in.

Of course, we expect pay; we are entitled to it. But remember we aren't setting the price or valuation on what we prize and what is so dear to our hearts. Oh yes, we know the big world is full of good people and there is land for sale everywhere. But this is home; this is what we want to keep. But if it is a step forward in the industrial world we must say well done and go out for new homes. Hope that is way in the future too.

We are aware that there could be other worries greater. We also know that many in our neighborhood worried about the dam and they have already passed on to the great beyond.

The Home Demonstration Club met with Mrs. Tommie Vinson last Thursday afternoon. An interesting program on better bedding was enjoyed by all members and one visitor, Miss Polly Johnson.

C. S. Vinson and sons, Lloyd and Edd, were in Murray Saturday. Hello to my relatives in Calloway—A Reader.

Crip and family and Miss Nerine Fielder visited Roy Knight's family last Thursday night and attended the singing at Stella where Prof. Barber Edwards is teaching a singing school.

The local post of American Legion met at Pine Bluff last Thursday night. All present seemed to have a nice time. We hope to be able to have them back with us again some time. Hall Hood made a fine talk on Americanism and the Legion. I don't think it could have been better.

Old Crip baited a trap with butter and caught a large rat by the neck, but this happened after the rats had carried away over 100 baby chicks.

Hazel High School To Present Comedy Saturday, April 6

Students of Hazel High School are presenting their high school play Saturday night, April 6. The production is a gay and modern comedy entitled "Sunbonnet Jane of Sycamore Lane."

There will be a small admission charged and the proceeds will go for the general expenses of the school.

The cast of characters is as follows: Jane Jasper (Sunbonnet Jane), our charming young heroine, Dorothy Linville; Miranda Jasper, her aunt, Ha-Grey Nesbitt; Grace Jasper, Miranda's lovely young sister, Mae Allen; Myra; Ollie Dinkley, a school teacher, Lucille Wynn; Nola Miller, who always has a duty to perform, Nell Ruth; Simpson, who loves to play pranks, Johnnie Owens; Jason Gough, who has a premonition of death, Elwin Freeland; Douglas Smith, hitch-hiker, Eugene Smotherman; Marion Marsh, a gentlewoman, Gertha Armstrong.

There are quite a few cases of flu in this vicinity but none have pneumonia at present.

Mrs. Arthur Lassiter has had flu, but is slowly improving. Her daughter, Mrs. Oscar McClain, is also on the sick list.

Wilburn Lewis is confined to his room with high blood pressure.

George Miller of Harris Grove who has been sick with flu, is able to be up part of the time.

Mrs. M. M. Lovier has been confined to her bed the past week with flu and bronchial trouble.

Mr. June Treas spent the past week as the guest of his daughter, Mrs. Eula Billington of near Farmington.

Sorry to hear of the death of Mrs. Lucie McClure who was making her home with her brother, Tilmann Orr, of Taylors Store.

Mr. and Mrs. M. M. Lovier had as their guests Saturday night their daughter and son-in-law, Mrs. Theodore R. Meyer and Dr. Meyer of Kirkwood, Mo.

As I have been sick with flu for the past week, I don't know much news to write, will try to write more next time.
